Ezequiel Santalla

Summary

Highly-motivated employee with desire to take on new challenges. Strong worth ethic, adaptability and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.

Experience

Coder House - JavaScript Developer
Mar Del Plata, Argentina
11/2022 - 01/2023

- Validated code for proper structuring, security and compatibility with different browsers, devices or operating systems.
- Redesigned sites to enhance navigation and improve visual appeal.
- Implemented improvements to boost site performance.

University Of Tulsa - Student Investment Fund
Tulsa, Oklahoma
08/2022 - 12/2022

- As a team, we successfully managed a $6.8 million college fund and resolved portfolio allocation issues, and turned them over to the advisory board so they could make the best possible decisions.
- Part of the macro committee in charge of providing macroeconomic variables for the firm's decision making.
- Understood and followed oral and written directions.
- Collaborated with others to discuss new opportunities.

Los Almendros Tenis Club - Freelance Web Developer
Mar Del Plata, Argentina
07/2022 - 09/2022

- Maintained strong skill set in various technologies to update, optimize and rectify issues with corporate website.
- Reviewed project specifications and devised solutions for use across multiple websites.
- Presented and implemented website and integrated solutions to complement business operations.
- Built layouts according to customer parameters using HTML5 and CSS3.
